Date of Issue: 6/24/24	Recall #
<p>Issue: <i>Totally Cool, a Jeni's Splendid Ice Creams supplier that produced Jeni's Frozen Dessert Sandwiches, has found Listeria monocytogenes in their production facility and has initiated a recall of all products made in that location. Listeria was not found in Jeni's Frozen Dessert Sandwiches, nor the equipment used to produce the products; however, out of an abundance of caution, Jeni's is voluntarily recalling all Sandwiches as requested by Totally Cool. No other Jeni's products are produced in this facility. All other Jeni's products, including pints, scoops (Jeni's scoop shops) and single-serve street treats, are not impacted.</i></p> <p>DC Disposition: Destruction</p>
